

Pristine Foundation

Purpose

Pristine Foundation is a non-profit organization, founded upon 7 principles to encourage, inspire and empower economically challenged communities.

We locate those economically challenged communities and pro-engage in raising awareness about the effects of childhood abuse.

We connect with victims of childhood base trauma to provide them with healing and support. Both, youth and adults have access to therapeutic and clinical support through community based programs.

With effective and positive results, our activities through community outreach will continue to introduce a positive bridge to a successful and healthy adulthood.

Vision

Train - Mentor - Educate

We envision for Pristine Foundation to be the largest youth organization with critically acclaimed curriculums with therapeutic and clinical support.

As we demographically seek economically challenged communities, with the help of our partners and sponsors a change in conditions and lifestyle follows the obtained skills, tools and mindset.

Mision

Raise awareness about the effects of child abuse
More than 50 million Americans live in economically distressed communities, according to a startling new report from the nonprofit Economic Innovation Group.

Each community in distressed suffers mainly from poverty, substance abuse, violence and crimes

We meet the needs of these communities by providing resources, clothes, food, and education.

Programs

Project

- Melody Girls Home - Montego-Bay, JA
 - The Pristine Foundation has partnered with " Melody Girls Group Home " in Montego-Bay, Jamaica in November 2014. An all girls facility privately funded and with no government resources available . The facility has gracefully been operating and caring for a revolving total of 15 orphan girls.
 - Twice a year with the help of our partners through“ We Share. We Give. We Love. “ we’ve accumulated and sent forward toiletries, dry goods, clothes and school supplies.
 - For 10 days every summer, we make our way back Montego-Bay with a selected few to host our “ Building Queens For Tomorrow” summer camp edition day camp.
- K.O.G - Guinea, W. Africa
 - TBD - 2025

Products

These products are the tangible results of our hard work.

Our partners and sponsors are the platform to our success. It is through various channels of establishments and events that we fundraise our products. As a tax exempt organization we provide the leverage necessary to any business, and provide financial benefits.
